Payment Agreement Terms

Payment terms and credit are extended as a courtesy to customers who purchase from Edge Endo LLC, hereafter known as "Lender", in exchange for dental supplies.

By signing this agreement, it is agreed that a payment of the **full invoice amount** will be submitted to the Lender on or before **15 days from shipment date of the first order placed over \$300.00 or 30 days of shipment date for invoices less than \$300.00**. These payments include any shipping charges that may apply.

This agreement is binding, and failure to meet its terms will allow the Lender to take certain recourse. First, late payment may or could cause upfront payment on all future orders before product is shipped. If payment should not be delivered at all, Lender will be entitled to **contact a debt collection service**.

By signing this agreement, all parties agree to the terms as described above. Alterations to this agreement can only be made by both parties and must be placed in writing. Both parties will receive a printed copy of this agreement, and will be responsible for upholding its terms.
